LIMITED POWER OF ATTORNEY

The undersigned account holder(s) ("Client") authorizes:

Trading Agent _____, its agents, successors and assigns (the "Trading Agent")

Trading Agent ID (if any) _____ (Trading Agent should also complete a copy of the Client Agreement, subject to compliance review)

As agent and attorney-in-fact to manage the Client's account and risk through the purchase and sale of currencies on the OTCFX market and/or options on OTCFX market on contracts on margin or otherwise for the undersigned's account and risk. The Client hereby agrees to indemnify and hold THE COLLECTIVE FX, its affiliates, employees, agents, successors and assigns harmless from and against any and all liabilities, losses, damages, costs and expenses, including attorney's fees, arising there from.

THE COLLECTIVE FX is authorized to follow the instructions of the aforesaid agent in every respect concerning the Client's account with THE COLLECTIVE FX, except that said agent is not authorized to withdraw any money, securities, or other property either in the name of the undersigned or otherwise. Such agents are not employees of THE COLLECTIVE FX, and act as agents for the Client, and as such, it is the Client's responsibility to request from the Trading Agent statements on account status and details regarding the overall management of the account, and the undersigned Trading Agent is obligated to provide, upon the Client's request, such account information and account statements using report features as provided by THE COLLECTIVE FX.

The aforesaid agent represents that he has all of the applicable required government approvals, licenses, and permits, including but not limited to, if applicable, registration with the NFA as a commodity trading advisor (CTA).

Because the risk factor associated with trading in the foreign exchange market is high, only genuine 'risk' funds should be used in such trading. If the Client does not have the extra capital the Client can afford to lose the Client should not trade in the foreign exchange market. The Client understands that the Trading Agent may use an electronic trading system to generate trades, which exposes the Client to risks associated with the use of computers, and data feed systems relied on by THE COLLECTIVE FX. The Client agrees to accept such risks, which may include, but are not limited to, failure of hardware, software or communication lines or systems and/or inaccurate external data feeds provided by third-party vendors. No 'safe' trading system has ever been devised, and no one can guarantee profits or freedom from loss. In fact no one can even guarantee to limit the extent of losses.

Even though the Client granted trading authority to another, The Client should be diligent to closely scrutinize what transpires in the account. THE COLLECTIVE FX shall send the Client a confirmation of every trade made for the account and any transactions on the account, and a profit and loss statement showing the financial results of each transaction closed out for the account. In lieu of sending trade confirmation and/or account activity via postal mail, THE COLLECTIVE FX will provide Client access to view his account at any time using the Internet with an online login. THE COLLECTIVE FX shall make statements available showing the ledger balance, the exact positions in the account, the net profit or loss in all contracts closed for the given period, and the net unrealized profit and loss in all open contracts figured to the market. The Client should carefully review these statements on a daily basis, and if the Client has any questions, he will contact THE COLLECTIVE FX immediately. Any discrepancies on account statements must be reported to THE COLLECTIVE FX, in writing, within 24 hours of its occurrence.

The Client and Trading Agent may revoke or terminate the trading authority over the Client's account at any time only upon written notice to THE COLLECTIVE FX. In the event that THE COLLECTIVE FX receives such written notice from the Client or Trading Agent, THE COLLECTIVE FX will notify the other party to this agreement of the revocation or termination. THE COLLECTIVE FX may also terminate the Trading Agent's trading authorization over the Client's account at any time for any reason in its sole discretion. In the event THE COLLECTIVE FX terminates the Trading Agent's trading authorization over the Client's account, THE COLLECTIVE FX will provide written notice to both the Client and the Trading Agent.

This authorization and indemnity is a continuing one and shall remain in full force and effect until revoked by the Client by a written notice addressed to THE COLLECTIVE FX and delivered to THE COLLECTIVE FX at the office where the Client's account is carried, but such revocation shall not affect any liability in any way resulting from transactions initiated prior to such revocation. This authorization and indemnity shall inure to the benefit of THE COLLECTIVE FX and that of THE COLLECTIVE FX's agents, successors and assigns. This authorization and indemnity shall further inure to the benefit of Trading Agent and of any successor Trading Agent, irrespective of any change or changes at any time in the personnel thereof for any causes whatsoever, and of the assigns of Trading Agent or any successor Trading Agent.

ACKNOWLEDGEMENT
